EDMONTON PROLIFE BUBBLE RUN, WALK & ROLL SATURDAY, SEPTEMBER 13

Join us for this year's Edmonton Prolife Walkathon - Bubble Run, Walk & Roll! As always, the walkathon will be at Rundle Park. Register at the Rundle Family Centre (2903 113 Ave.) at 9:30 am. There will be morning coffee. The walk starts at 10 am. There will be a 3 km, 5.5 km, and 7.5 km route (maps will be provided). The walkathon will include a **bubble fest for the kids** - there will be bubble machines with bubble wands available. **Lunch** will be from noon - 1:30 pm.

Once again, we plan to have a **baby crawl race**. Let us know if you would like your baby to participate for a chance to win exciting prizes!

Use the pledge form (see Summer newsletter - it can also be printed from the Edmonton Prolife website (www.edmontonprolife.org)) to collect pledges or the **online fundraising platform** on our website. Run, walk, or roll on the walkathon day, or do your preferred exercise from now until September 20.

The Gianna Centre will have a vendor booth at our walkathon. They will be selling Artisan soups, handcrafted body care products, fresh veggies from their garden, individually designed gift baskets, and unique handmade arts and crafts.

Enjoy live music by **The Beach Buoys** at this year's walkathon.

This is a great opportunity to meet with other pro-life families. **All are welcome** (whether you have raised funds or not). If you have not raised funds, consider giving a \$25.00 donation at the event. **Register by Sept. 9** at www.edmontonprolife.org.

If you are able to volunteer, let us know by contacting the office (780-425-1637 or info@edmontonprolife.org). We look forward to seeing you there!

Help us spread the word by displaying the poster on the opposite side of this page! You can also share our walkathon ad that is posted on our social media platforms!

No MAiD for mental illness: Support Bill C-218

Bill C-218 was introduced to prevent euthanasia for mental illness

On June 20, 2025, Tamara Jansen (MP – Cloverdale – Langley City) introduced private members Bill C-218 in the House of Commons to prevent (MAiD) euthanasia for mental illness by excluding mental illness from being considered a “grievous and irremediable medical condition” for the purposes of MAiD.

If passed, no one will be eligible for MAiD for mental illness alone.

Bill C-218 will likely receive it's first hour of debate in November 2025. To sign the petition, visit <https://epcc.ca/petitions/>

Edmonton Prolife had an educational booth at the Family Life Conference at Lac Ste. Anne, from June 27 - June 30. There was a lot of interest in the various books we had available, as well as a lot of good conversations.
